

**Australian Government**

**Department of Broadband,  
Communications and the Digital Economy**

**INDIGENOUS COMMUNICATIONS PROGRAM  
COMMUNITY LIAISON OFFICERS**

Community Liaison Officers will be tasked to help identify and nominate remote Indigenous communities that may be eligible to receive a community phone service under the Indigenous Communications Program (ICP) community phones element. They will also assist telecommunications service providers, existing nominating agencies and the communities themselves in the installation and operation of community phones.

Enquiries in relation to the Community Liaison Officers should be directed to the Indigenous Communications Program on 1800 355 014.
