**TEL:INFO** — PRACTICAL INFORMATION ON MAINTAINING TELECENTRES

## Helping Telecentres to get online and stay online

The new [Community Telecentre web pages](#) hosted by the **tel:info** portal provide practical information on maintaining community telecentres in regional, rural and remote Australia.

Please come and visit for updated information on:

- [useful tools and tips](#)
- [funding sources](#)
- [useful links](#)
- [news updates—subscribe for news updates](#)
- [government strategies and networks](#)
- [experience—Australian and overseas](#)

This information has been developed for telecentre managers and co-ordinators to help meet the changing needs and demands in your communities for ICT access and skills.

If you do not wish to receive further information about Community Telecentres web pages, please [unsubscribe](#).
